

*The IALP is a non-political, non-governmental and non-profit international organisation of speech and language therapists/pathologists, audiologists, phoniaticians and scientists.*

*Founded in 1924 by Emil Froeschels to foster collaboration of professionals interested in speech, language, communication, swallowing and voice disorders throughout the world.*

### IALP Vision

- IALP has a global vision to facilitate better understanding, knowledge and care of all those with communication and swallowing disorders.

### IALP Mission

- The mission of IALP is to improve the quality of life of individuals with disorders of communication, speech, language, voice, hearing and swallowing.

### IALP will:

- facilitate science, education, and clinical practice through international cooperation and collaboration;
- create and share knowledge, skills and information;
- provide a platform for international networking and advocacy

# Membership is being opened to Student\* Speech and Language Therapists/Pathologists, Audiologists and Phoniaticians for the first time!

Subscription for one calendar year will be :

*Eur 19 – High Income Countries*

*Eur 10 – Middle Income Countries*

*Eur 5 – Low Income Countries*

**Definition of student:** An individual enrolled for part- or full-time study for preregistration, undergraduate or postgraduate studies directly related to the field of human communication disorders and sciences at a formal education institution. Students must provide official evidence of enrolment at the time of joining the Association and/or registering for a congress/composium.

(d|b|a) *International  
Association of  
Communication  
Sciences and  
Disorders*
